

# Ministry Partners

We can make a difference in our city and county together!

The Marketplace is committed to reaching professionals and developing leaders from the inside out.

Our vision is for "changed lives and changed cities" by:

- Professional men & women becoming vital Christians with a sense of destiny.
- Christians visibly applying their faith in their marketplace
- Secular professionals exposed to the relevance of the Bible to their life.
- Christian professionals making an impact in the corporate world and community.
- Raising up intercessors who are prepared to stand in the gap for and within the marketplace

In order for you to be a business partner with The Marketplace Christian Professional Resources we ask only that you pray for this ministry every day and support us financially on a monthly basis. If this is something you feel God is leading you to do then we want to partner with you.

When we partner with you we agree that we will pray for you and your business daily. You will be assigned a personal intercessor who will pray for you each and every day and you will be able to contact them for personal requests as well.

We will also add your info to our Business Partners page on our website at [www.upray2.com](http://www.upray2.com) with your logo or business name and contact info. If you have a website we will link to your site as well. If at all possible we would like you to link back to us.

I am willing to partner with The Marketplace Christian Professional Resources by daily praying for the ministry, and I agree to send monthly my best financial support.
